Re: Freedom of Information Act Request

To Whom It May Concern:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552 *et seq.*), I hereby request all records (including, but not limited to, meeting minutes, electronic messages, notes, drafts, letters, etc.) relating to 1) that certain Petition for Rulemaking submitted by the Tulane Environmental Law Clinic on behalf of Ouachita Riverkeeper, Inc., dated September 10, 2015, requesting a determination from EPA that revised water quality standards are necessary for Coffee Creek and Mossy Lake in Ashley County, Arkansas from September 14, 2016 (the date of our previous similar request, EPA Request # R6-2016-010175) through the date of your receipt of this request; and 2) Tulane Environmental Law Clinic's December 15, 2016 notice letter to EPA regarding a potential "unreasonable delay" lawsuit on behalf of the Ouachita Riverkeeper, Inc. to obtain a response from EPA to the above-referenced Petition for Rulemaking. My request specifically includes any attachments or additional submittals related to the Petition for Rulemaking, as well as any responses or other correspondence from EPA to Tulane Environmental Law Clinic and/or Ouachita Riverkeeper, Inc.

If any documents contain material that U.S. EPA deems subject to the attorney-client privilege and/or attorney work product doctrine, or any other FOIA exemption, I respectfully request that, to the extent possible, such documents be provided in redacted form. If any document is withheld on the grounds of attorney-client privilege and/or attorney work product or any other FOIA exemption, I would like to receive a list of such documents, including the document date, title, type of document, who it is addressed to and from, and the privilege or exemption claimed. In accordance with 5 U.S.C. § 552(a)(6)(A), please respond within 20 working days of receipt of this request.

I am willing to pay reasonable administrative charges, as provided under the FOIA. Please let me know if the charges are expected to amount to more than \$250.
